Scholarship Program Update

Overview

The FWSF Scholarship Fund provides graduate and undergraduate scholarships to Bay Area women pursuing careers in finance, accounting, and related fields. Since 1985, the Fund has awarded over \$2.8 million in scholarships to more than 336 Bay Area women.

Despite these unprecedented times, with the generous support of our prior sponsors, donors, and volunteers, we awarded 13 scholarships totaling \$140,000 in 2023. Please help us continue this level of support for years to come by donating to the FWSF Scholarship Fund.
